

LIVING WATERS
AND **CROSSCURRENT**

Calvary Chapel East Anaheim

**THROUGH
LIVING WATERS AND
CROSSCURRENT
we learn about:**

- God's powerful love for us and how Jesus is central to our hope for wholeness
- The depth of our brokenness and our profound need for Him.
- The power of the cross to restore our souls, sexuality and relationships
- The process of walking out our healing
- Our place in the church and loving others honorably

“Where can I go to share my pain and struggle?”
“Will anyone listen to me?”
“How can I find hope in my struggle?”
“I’m alone and afraid to tell anyone what’s really in my heart.”

Such thoughts and questions plague many Christians. The discipleship and prayer ministry of Living Waters and CrossCurrent addresses the roots of sexual and relational issues that ensnare Christians into unhealthy living.

ANYONE seeking to walk through the healing journey will benefit from Living Waters or CrossCurrent, especially in the areas of:

- Fear
- Insecurity
- Marital problems
- Co-dependency
- Pornography
- Effects of abuse
- Poor boundaries
- Sexual addiction or promiscuity
- Isolation
- Inability to trust
- Anger or unforgiveness
- Compulsive masturbation
- Gender identity issues
- Unwanted same-sex attraction
- Fantasy
- Shame and self-hatred

We value men and women working out their healing together. Great healing comes as men and women minister and receive alongside one another in worship, teaching and prayer in the large group (though the small groups are same-sex). This reflects God's intention and character. Foundational to Living Waters is the reality that God created us in His image as male and female.

3 FOCUSES

Living Waters and CrossCurrent provide a thoughtful and safe place to look at the ways we've become ensnared with three main focuses.

1) WORSHIP

We focus our attention and praise on God rather than on our problems.

2) TEACHING

Our teachings include Biblical truths that help us to know God and ourselves better.

3) PRAYER

Through attentive prayer in large and small group settings, we invite the Holy Spirit to heal our various wounds. We bring our sins, and those sins committed against us, to the Lord who is faithful to set us free.

The leadership team has been trained to help ensure trust, safety and confidentiality in the group.
