

6) Do you have any people in your life that have impacted your walk with Christ?

7) What are some practical steps you can take to encourage others around you in their walk?

## **ACTION STEPS**

Sometimes on the journey to finding what you are gifted in, you need to experience where you are weak. The purpose of community is to make our weakness ineffective! Maybe you are a gifted teacher, but have not tried teaching a Sunday school class. Or, you might feel discouraged because every avenue you've set out to serve the body in has felt like a failure. Take heart! When we stand before God, He won't say "well done good and successful servant..." but He will say "well done good and faithful servant!" Be faithful, be consistent, and begin to become more fruitful!

How many steps do you think you take in a day?

It's been said that walking is good for the heart, but did you know that fellowship is good for your walk? Take a moment to share something significant the Lord showed you since you last met!
